VI. SUPERINTENDENT SUMMARY OF CURRENT EVENTS:

A. UESD Current Events Summary

Good evening, President Briceno and Ms. Doucet,

On August 1, 2022, almost 1600 students came to school excited and ready to learn, and due to the outstanding work of our team, they were transported safely to and from, well fed, engaged in building relationships and skills in the classroom, and our facilities and materials were ready to go! It was an amazing first week and a wonderful way to start the 2023 school year. Let's take a look!

As of August 10th, our active enrollment appears to be around 1699. Overall, this is an overall decline of 31 students from about the same time last year. We will not know truly until after Friday about drops but we are hopeful we are starting to firm up what enrollment looks like this year. Trying to gauge enrollment, particularly with new housing and community growth, can be challenging; however, there is a story within the enrollment that we are seeing.

First, if you look at the 8th grade class for FY 2022, we had 239 students promote to High School and leave our system. If you look at the other end for 2023, Kindergarten, we only have 161 students presently on the books. The simple loss of the large 8th grade class, followed by a small class of kindergarten students that was predicted by low birth rates following the last recession, produced a loss of 78 students alone.

| | | | Grade Level | Cohort |
|-------|---------|---------|-------------|--------|
| | FY 2022 | FY 2023 | Change | Change |
| PK | 21 | 19 | -2 | N/A |
| K | 166 | 161 | -5 | N/A |
| 1 | 165 | 180 | 15 | 14 |

| 7 | 222 | 195 | -27 | 9 |
| 8 | 239 | 223 | -16 | 1 |
| Total | 1730 | 1699 | -31 | 49 |

Looking at the cohorts, groups of students moving from one grade to the next, you can see that we are picking up more students than we are losing (Plus 49) with large gains coming at first, fourth, and sixth (green arrows above) with small losses at second, third, and fifth. This may be some of the beginning growth from new housing.

Overall class sizes are manageable, due to our planned staffing this year at 25:1. However, there are some larger class sizes that we are still working to address, and not all our positions are presently filled.

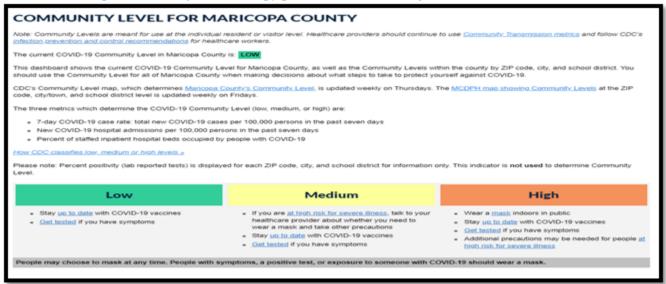

Over the first two weeks, you can see what our class sizes are looking like.

We are continuing to look to fill vacancies and have three international candidates who should be arriving the week of 8/21, and two additional that we are still working through the hiring process. We have some more critical vacancies that we don't have candidates for yet, like 8th grade Hurley Ranch and Resource at Union, and other spots where we need some support for larger class sizes, like 4th grade at Dos Rios. We also have one special area, at Hurley/Union and a Band between Dos/Hurley that need to be filled. We will continue to seek talent for our classrooms, and for substituting.

Regarding Covid, our County is presently designated as being in LOW transmission, and that is the level that we are advised to follow. If you look at the community level indicator for our district, that is at MEDIUM transmission. We are seeing quite a few cases in staff and quite a few absences with students. We will continue practice our hygiene processes, cleaning, air filtration, encouraging masking (even though we are in low transmission) and staying home when sick and hope that we are just in a bumpy patch with folks coming back from Summer Break.

Despite all of the challenges facing us and Arizona's Education System, I am incredibly proud of all our hires, the team who recruited and trained them all, and the optimism and support exhibited by all our employees.

Before I move on, I do want to take a minute to share some information that I have already shared individually with our board members but would like to fill in the public. Today, I spoke to Mr. Sunn, as you know he is not here this evening. Unfortunately, he is unable to fulfill the remainder of his term as a Governing Board Member due to personal medical reasons. He wanted me to share his sincere appreciation to his fellow board members. He's glad they're here leading the district forward he knows we are in good hands and appreciates the work of the team. He was okay with me sharing he has been diagnosed with cancer. He's doing well, is seeking treatment, and wants to use this time to recover. I publicly want to thank him for his service. As a very long serving member he got us through some tough times and helped lay the foundation for where we are today. Upon receipt of his formal resignation the process by which we fill his seat will be shared.

Q: Mrs. Doucet asked if we have a system in place to identify if the absences are Covid related or a cold.

A: Ms. Kristine Morris responded we sent home take home kits and have enough take home kits that if people want to test themselves, we can provide them with the kits. We are encouraging them to test if they have symptoms. We are also encouraging if they are symptomatic to stay home until they are not symptomatic. If they're feeling better, we encourage them to wear a mask when they come back. We are doing all those same things, but we don't have a way confirm.

Q: Mrs. Doucet asked if the front desk or nurse asks the parents why the child is going to be absent.

A: Ms. Kristine Morris responded the front desk or nurse ask them, but it's up to the parents to confirm if its covid. We are still doing contact tracing, if we are made aware of a Covid case and we know this has impacted a classroom we will notify those families.
